

We're getting a new homeroom teacher today!

Oh yeah, teacher Riia left for her maternity leave.

What? It's today?

Today.

Have you seen him already?

Yes!

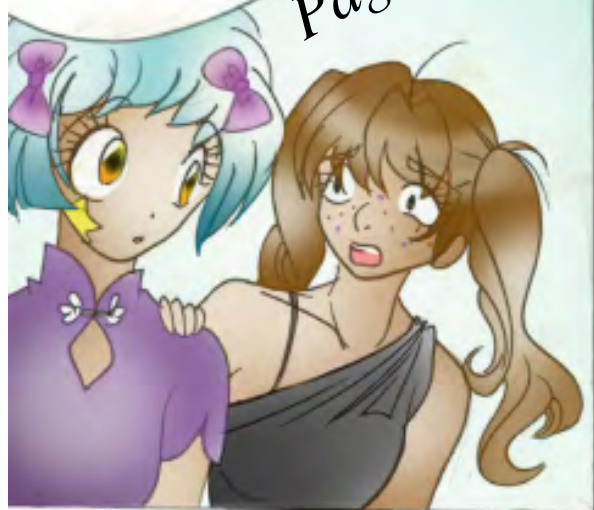

Page 7

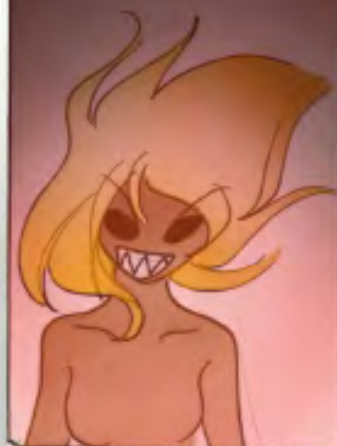

He is quite a hunk for his age, and he is married.

I want to
have a word
with you.

Page 33

Onerva was
a proper bully
in previous
schools.

She could stuff
a girl's head
down the toilet
she was
bullying.

Sometimes
she stole
another girl's
clothes from
the locker room.

I am not
going there!

Mirva, Mirva ...
What are you
suspecting?

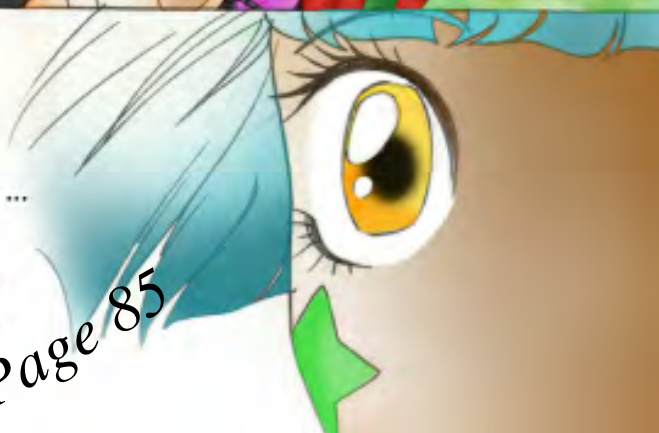

I would like
to offer you
some dessert
from the
minibar in
our room.

Well, he is my teacher ...

I'll doubt he'll
try anything.

Page 85

Yeah and
by the way ...

Page 111

... I have
everything
on tape.

What?

If you misbehave,
I'll put the video
online and
everyone will
see you.

So,
be nice.

This smell ...

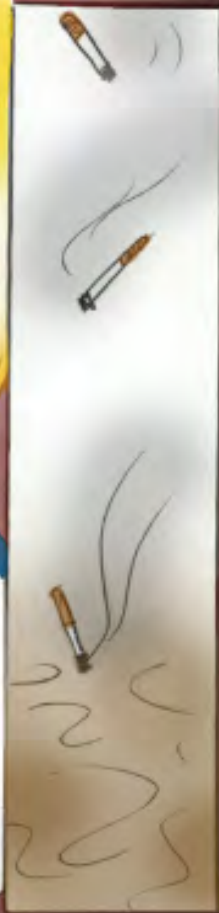

... Gas!

Mirva!

Open the
goddam door!!

Our school
has a zero
tolerance with
molesters!

Come to the
teacher's
room and ...

Attention!!
