

Doesn't the
"girl" have
a name yet?

Something
cute and
girly would
be nice.

Nah,
I haven't
come up with
a good
name yet.

How about
"Misutar?"

Page 5

Haha!
No way!

Have
I done ...

N-no ...

page 30

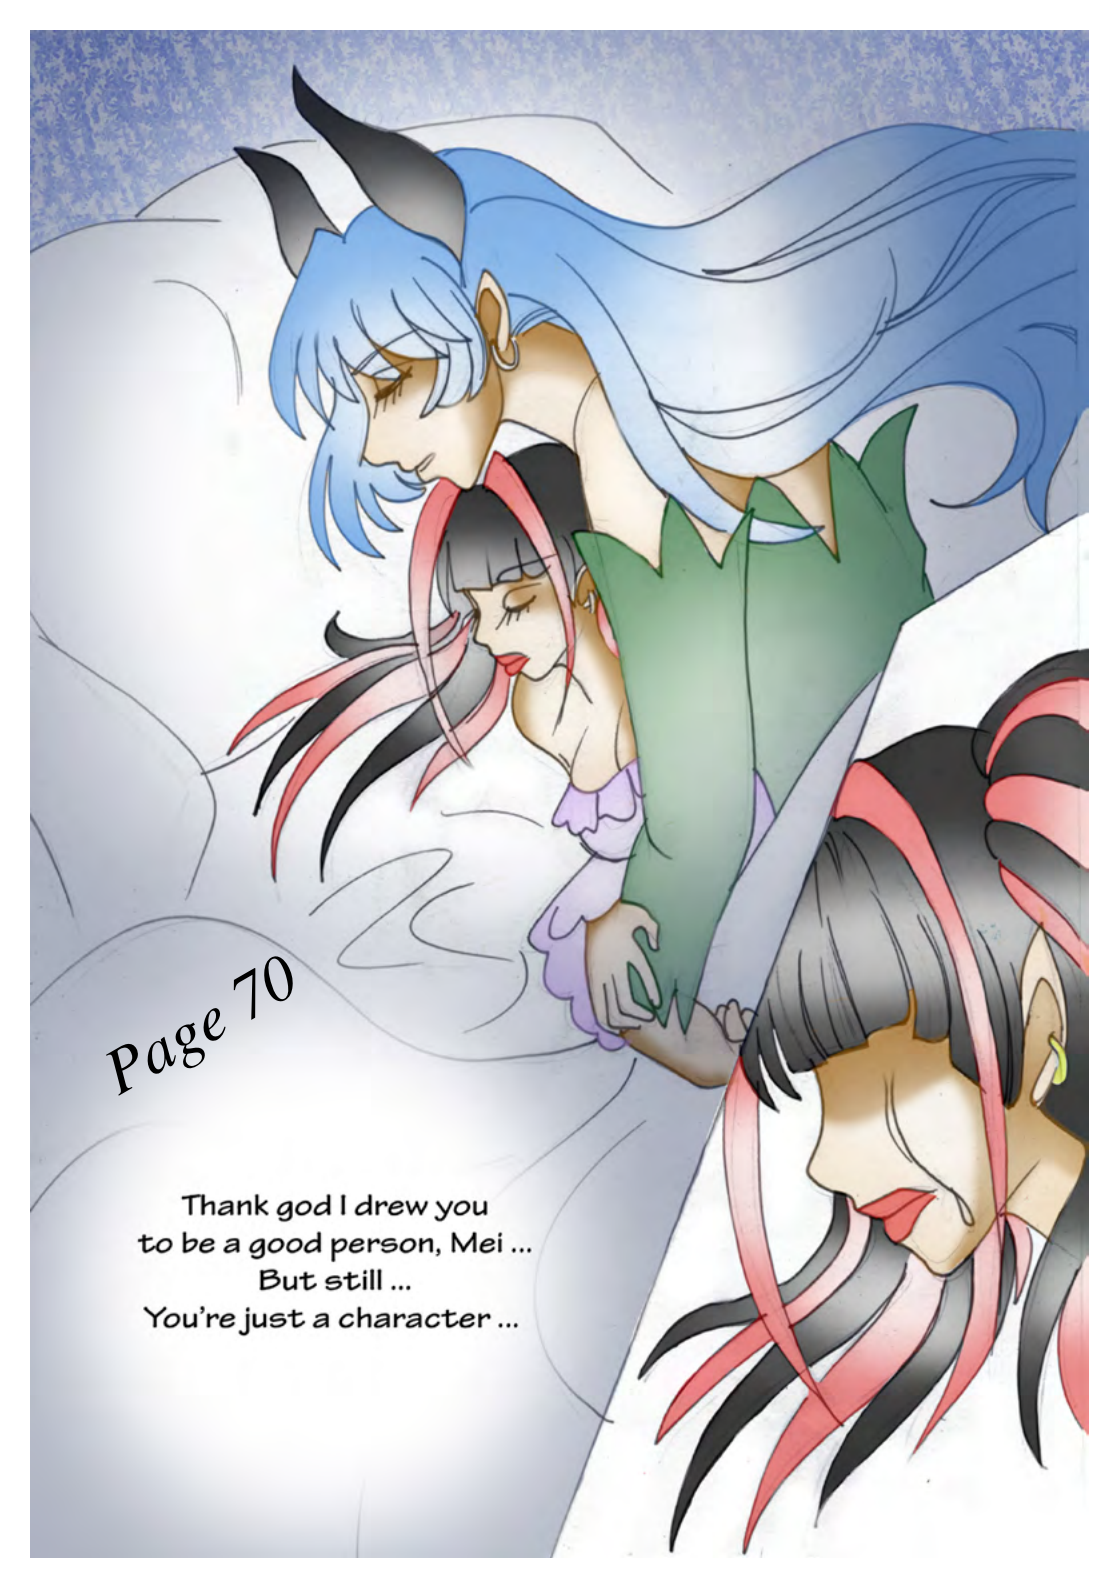

Mei is just like from my comics ...

As is this castle ...

Everything ...

But ...

Page 70

Thank god I drew you
to be a good person, Mei ...
But still ...
You're just a character ...

But seriously:
he can't find out
that I am not
"Misutar".

He can't find out
that he is
a character!

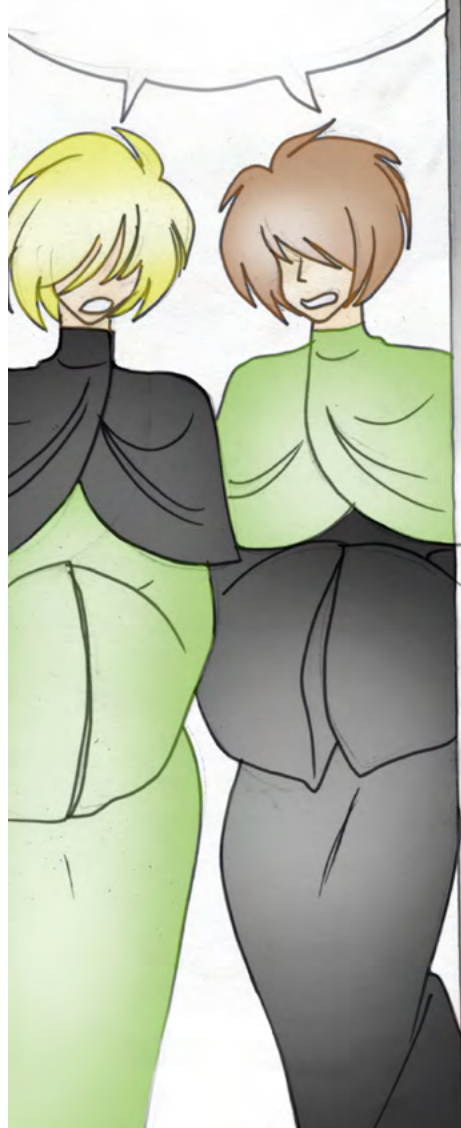

Page 74

If I would find out
I was just a
comic character ...

... I would
break down.

The outside world
is a tabu.
You will never step
outside of the castle.
That is the will
of our master.

Huh?

I can't see
what I haven't
drawn?
