Foreword

It was about 15 years ago that we first talked about writing. Quite often when we shared the story about our time in Canada, people told us we really should write a book.

We also began to feel we should write down our testimony for our own children, so that they too would know how God has guided and helped us. After all, they were with us every step of the way, so this is their story as well.

Most of the events in this book took place within a one-year period, from June 1993 to May 1994. However, the theme of the book did not take shape until quite recently. For the past year or so, God has been speaking to us about childhood and the relationship he has called us all to step into.

As it was consistent to hold to one angle of view in the narration, we decided to choose Markku's perspective. In the teaching, we have strived to focus on the topics that relate directly to our theme.

We all have our own path, each and every one of us. This is just a part of our story; yours will certainly be different.

But God is faithful and he will always lead us as we rely on him and seek his guidance.

Have a blessed journey!

“For those who are led by the Spirit of God are the children of God.

The Spirit you received does not make you slaves, so that you live in fear again; rather, the Spirit you received brought about your adoption to sonship. And by him we cry, ‘Abba, Father.’

The Spirit himself testifies with our spirit that we are God’s children.”

Romans 8:14-16

(The Holy Bible, New International Version)

Markku Sarento is an itinerant evangelist and a Lutheran minister who has worked with many churches and denominations. His wife Johanna has a call for prophetic prayer ministry. As a couple, they love to proclaim the gospel of Jesus and teach about reliance on God.

Markku and Johanna live in Finland, and their children are now grown up and married. For more info please check their pages at www.markku-johanna.com/en.

The child-like trust in God's guidance and care is not childish or immature. It is a conscious choice that God himself is calling us to make.

Children of God is a touching true story about faith and fear, letting it go and trust—and God's amazing provision in the middle of impossible situations. The events took place mostly in Ontario, Canada, where the Sarentos used to live along with their three little children.

Through their life story, Markku and Johanna Sarento are able to teach about the faithfulness and love of God with a fresh and inspiring touch. The book offers new perspectives on many of the most essential views of the Christian faith.

This is a book you will not leave unfinished.
